Property Damage Accident – Fire Marshal Staff Vehicle

Incident Description:

The incident occurred the evening of February 10th, 2016. Fire Marshal Navarro was off duty, and his vehicle was parked on a street in downtown Indianapolis. When Marshal Navarro returned to his vehicle, he noticed that his driver's side mirror had been struck by another vehicle. Marshal Navarro immediately contacted the Chief of the department and sent a picture of the damage. The incident was a hit and run from an unknown source. Marshal Navarro was advised to contact the IMPD and obtain a report.

Recommendation:

With the current plans to divest of this particular vehicle, due to the current state of the apparatus prior to the accident, I am recommending that the damage is not fixed. The apparatus will be replaced with the arrival of new staff vehicles.
